Sir:

In Response to the Office Action dated November 16, 2005 kindly amend the above Application, without prejudice, as follows:

Support for new claims 15-20 is also found in the Specification and Drawings. The prior art does not disclose or suggest the features and relationships that are specifically recited in new claims 15-20. Also, these claims recite features, relationships and steps recited in the original claims and are allowable for at least the same reasons.

Additional Fees

Please charge the fees associated with one extra independent claim over three (\$200), the fee associated with the terminal disclaimer (\$130) and any other fee due, to Deposit Account No. 09-0428 of Diebold Self-Service Systems.

Conclusion

The filing of the terminal disclaimer herewith obviates the double patenting rejection. Allowance of all of Applicants' pending claims is therefore respectfully requested. The undersigned will be happy to discuss any aspect of the Application by telephone at the Examiner's convenience.

Respectfully submitted,
